Dear Sir:

In response to the Office Action mailed September 9, 2002, please consider the remarks provided below.

## REMARKS

Claims 1-66 are pending in the present application, of which claims 2, 31-37, 40, 45, 50, 63 and 66 are restricted from consideration pursuant to an election. Therefore, claims 1, 3-30, 38, 39, 41-44, 46-49, 51-62, 64, and 65 are at issue. Each of the claims at issue is rejected under 35 U.S.C. § 102(e) as anticipated by Fan et al. (hereinafter "Fan"). The applicants traverse such rejections and respectfully request reconsideration.

## Claims 1, 13, 24 and 60 and their dependent claims are allowable over the cited art

Claims 1, 13, 24 and 60 recite one of a wearable computer, a device identification unit for use on a wearable computer, and a data storage/retrieval unit for use on a wearable computer, where such systems are adapted to be used in a process control system including a plurality of process control devices disposed within a process and external to the wearable computer, where such systems are adapted to identify a process control device based on a
